Dear Mr. Yoav Gad

«Hachsharot Pioneer training in Germany 1933-1947 – the following generations»

I thank you for submitting for my review the booklet you published, which documents the launch of the association's exhibition at Kibbutz Netzer Sereni. It testifies to your extensive and important activity to preserve the memory of the special activity of the Zionist training programs of the HeChalutz movement in Germany. I am pleased to see that you have even been able to expand your activities in a way that will enable you to present the legacy of these Hachshara programs to many and diverse audiences. These Zionist training programs, which thousands of our people underwent, strengthened, and deepened their connection to the people, its heritage and its land. This is an important chapter in the annals of our time in the generation of revival and in the history of Zionism, and you have an important part in transmitting it to the public.

Chen Chen for the words of appreciation you expressed, also on behalf of your colleagues. I applaud your important work and wish you continued great success.

Best regards and appreciation,
President of the State of Israel
