Subject: Gratitude to Ari, Yoav and President Isaac Herzog

17.12.2025

Dear Ari  
and Yoav

Shalom

please forward a copy of my reply to  
h.E. Mr. Isaac Herzog, the President of the State of Israel.

This is really an important success and appreciation of our common project in preserving the stories of the life and destiny of the Chaluzim on Hachscharot of HeChalutz in Germany and in Europe in general.

The relentless efforts of Ari Lipinski and Yoav Gad made this great result possible.

Also, I have to express my deep gratitude to h.E. Mr. Isaac Herzog, the President of the State of Israel, for his support of this German-Israeli cooperation especially given the heavy demands and the many tasks he has in local and world politics.

**Toda raba!**

**תודה רבה**

*Franz-Josef*
